## How to book

Booking your holiday couldn't be easier, just follow the steps below:

### Reserving your holiday:

You can make a preliminary reservation at no cost to give you time to speak to other members of your party and to book travel arrangements. Your preliminary reservation gives you first option on the rooms you have booked for a period of 5 days. If you do not book within this time your reservation will lapse. If you need more time please give us a call. Please telephone or e-mail us now with your chosen dates and room requirements. Or e-mail us your telephone number and we'll 'phone you back at a time to suit you.

### Confirming your holiday:

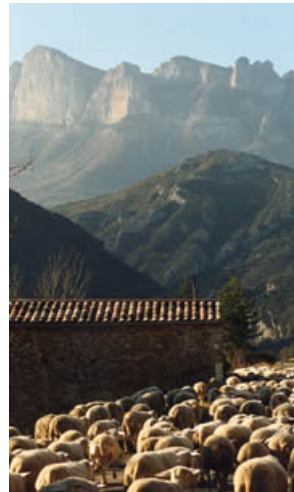

Having read and agreed our [terms and conditions](#), please complete the [booking form](#) and send it to us with the appropriate non-refundable deposit of £100 per person. Your payment should be made by credit card, bank transfer or cheque.

We will then send you a confirmation invoice, showing the deposit you have paid and the balance remaining and the date by which this payment must reach us. We will send you a reminder when the balance is due.

### Payment of balance

The balance due for your holiday is payable eight weeks prior to your arrival. If your booking is made within nine weeks of your arrival we will require the full payment with the booking. The balance should be paid by cheque, bank transfer or credit card.
