Dining at La Maison Rose

The French take their food very seriously, and so do we!

Every morning at breakfast we like to set you up for the day. There is always a wide choice; freshly baked bread and croissants, a large selection of jams, homemade marmalade, fruit and yoghurt, cereal and fresh milk, and cheese. We also offer eggs: boiled, scrambled or fried. Plus a choice of tea, coffee, chocolate, and fruit juice.

We prepare picnic lunches for you to take with you on walking days - delicious freshly made filled baguettes, salads and fruit, cakes and drinks.

And after an active day there is nothing better than relaxing on the terrace in the evening sun, with a bottle of wine and a four course meal. We know you'll be pleasantly surprised by the standard of the meals we offer. Our chef takes every care using fresh, local produce to create delicious, thoughtful and imaginative meals, above all, cooked to perfection.

The Drome valley is a leader in the production of organic poultry, meat, fruit and vegetables. Furthermore, our village butcher is renowned for the quality of his meat, and we take full advantage. Many of our meals are inspired by recipes from Provence, and we offer some local specialities, some old favourites, and a few of our greatest British puddings, just to remind everyone that British food can hold it's own.

There is an excellent wine list of course, mainly French, but almost everyone is more than happy with the delicious local house wine, free and unlimited with meals.

We can prepare meals for vegetarians on request; please do let us know if you have any special dietary requirements.

Please don't hesitate to **contact us** to if you'd like to know more about our food.
