Travel

With so many cheap deals around, we have found that guests like to make their own travel arrangements.

We are easy to reach by car, train or aeroplane. For guided holidays, we can arrange to pick you up from Lyon airport, (transfer time less than two hours) or Valence TGV station (35 minutes away). For Lyon, we usually pick up and drop off to coincide with the mid afternoon flights, and for Valence, an hour after this for pick up, and an hour earlier for drop off.

Guided holidays operate from Saturday to Saturday

By train

With the combination of the Eurostar and TGV you can travel from London St Pancras, Ebbsfleet or Ashford to Valence. The whole journey takes about 6 hours, and we will collect you from the TGV station in Valence, only a 35 minute transfer.
